

Accommodation Packages

Newport Restaurant Week has grown into a Culinary Experience for both the visiting and resident diner and is a major economic driver for all of the participating businesses. With many of the diners coming from out of town, due to our aggressive advertising campaign and the event is now over 2 weekends. We would like to offer you an opportunity to put together getaway packages to be offered at your property during **Newport Restaurant Week**, featuring **Newport & Bristol County** held **November 5-14, 2010!**

Take advantage of this chance to put together some tantalizing culinary inspired accommodation packages to entice visitors to Newport and Bristol County during Restaurant Week. These packages will be listed on the official Newport and Bristol County Restaurant Week website, GoNewportRestaurantWeek.com, and on the Getaway Packages page on our official website, GoNewport.com.

Please be creative with the packages! Include lunch or dinner gift certificates or host a culinary event at your property, such as a cooking class or rum tasting. If you would like to include lunch or dinner at one of the participating restaurants in your package, please contact Ellen Crawley at EllenC@GoNewport.com and she can forward you an updated list of participating restaurants. There is **no charge to participate** or to have your Restaurant Week Package listed on both websites.

Please complete the form and mail or fax back by September 20th to attn:
